HOW IT WORKS: You and your team are locked in a room and have one hour to complete a mission and escape. Escaping will require teamwork, quick thinking, determination and a sense of urgency! From the moment you step into your game, you'll be totally immersed in the environment. The Escape Game Orlando recommends their games for ages 13 and up, although younger players are allowed. Participants under 18 need a parent to sign their waiver.

DiscoveryBound activities are free from drugs, alcohol, and profanity.

DiscoveryBound is a year-round program for youth, adults, families and friends that offers inspiring recreational, leadership and service opportunities on local, regional, national and international levels. We provide an atmosphere where individuals experience Christian Science in action.
